

Bill the Warthog Mysteries: The Bogus Mind Machine

Join Bill the Warthog, the world's best (and only) warthog detective, on his next adventure, in *The Bogus Mind Machine*, the fifth book in the Bill the Warthog Mystery Series. Bill, with the help of longtime sidekick, Nick Sayga and a new friend, newspaper owner Kayne Foster, will lean on the Wisdom of Solomon to solve some of the strangest cases of his career: ants that follow orders, a giant chicken, and a little purple man from outer space!

Follow Bill on all of his mysterious adventures.

Help Bill in the biggest Snowball game of his life!
