

Is that a Warthog Hanging off of the Empire State Building?

San Diego, CA (Aug 4, 2011) Legacy Press is pleased to announce its newest release with *Bill the Warthog Mysteries: King Con* (www.LegacyPressKids.com). The book is the most recent installment in the award winning and best-selling Bill the Warthog Mysteries series.

"I don't suppose you have a friend who is a warthog and a detective," says Nick Sayga, "But I do." So begins the adventures of friends Nick and Bill the Warthog. Bill fights crime and solves mysteries throughout all of the books in this series. Each chapter has its own mystery to solve. At the end of each chapter, readers can turn to the answer key in the back to read the solution, which comes straight from the Bible.

In *King Con*, Bill the Warthog and Nick Sayga, along with several of Nick's friends, are hot on the trail of master criminal Big Pig, who is scamming all the kids in town. But once they have the mysteries solved, will they find it in their hearts to forgive?

"The books challenge kids to test their detective skills with hilarious, fast-paced whodunits while learning about God's Word" says Daniel Miley, CEO of Legacy Press.

This latest installment in the series is now available in retail stores, Christian bookstores, and online through Amazon, Christian Book Distributors, and others.
